NEW ARRIVALS @ LIBRARY

During the months of December 2010 to February 2011 more than two hundred books were added to the library stock on variety of subjects e.g. Electrical engineering, computers science, pharmacy, chemistry, geology etc. These books are now available for check out.

VISIT of the Library Incharge CIIT Lahore

Mr. Tariq Najmi, the Library Incharge, CIIT Lahore, visited CIIT Abbotabad Campus on February 4, 2011.

During the visit he discussed various technical and professional issues with the library staff. Special focus of the discussion was the effective use of the Library Information Management Software (LIMS). Mr. Najmi also discussed the LIMS related issues with the software engineers team of CIIT Abbotabad.

VPN Services Launched @ CIIT Abbotabad

COMSATS Institute of Information Technology has been providing access to more than 32,000 high quality, peer-reviewed journals, databases, and articles through HEC’s Digital Library Program. In addition, access to thousands of E-books on a variety of subjects has also been provided through the same program.

Access to these numerous, valuable resources was so far available only within campus. We are now pleased to announce that the CIIT Abbotabad, in collaboration with the Central Library, starts providing off-campus access to all these digital resources. The access, however, is “user name-Password-controlled” and is available only to the faculty members and research scholars of CIIT Abbotabad. On-campus access remains open for all the Students, faculty and researchers of CIIT, Abbotabad.

ONE DAY VISIT OF SENIOR LIBRARIAN –CIIT ABBOTABAD.

Senior Librarian Mr. Raja Muhammad Ibrahim visited CIIT Abbotabad on December 15, 2010.

During his routine, quarterly visit, the Senior Librarian had a meeting with the Director Dr. Khan Gul Jadoon. He discussed with various library related matters with the Director e.g. library budget, hiring of new library staff, installation of E.M. Security System etc., at length. The Senior Librarian also had meetings with the library staff and discussed various issues relating to reference services, digital library, CIIT E-library, collection development, and staff training etc.

Library Mounted Book Exhibition

A library mounted book exhibition was arranged @ the library for promotion of reading habits amongst the newcomers. Books purchased during the last six months were put on display; books from the library bookshop were also at display for sale. More than 100 books on a variety of subjects were sold during exhibition.

Library Visits

A delegation from France, headed by the Ambassador to Pakistan, His Excellency Mr. Daniel Jouvenve, visited COMSATS Institute of Information Technology (CIIT), Abbotabad on February 2, 2011.

During the visit the ambassador had detailed meetings with the faculty and students. The delegation also visited the library later in the day, and was briefed by the director on several aspects of the Library resources and Information Services. Mr. Daniel Jouvenve highly appreciated the information Services provided by the library.
Appointment as Deputy Librarian

Mr. Laeeq Mushtaq, Assistant Librarian CIIT Attock, has been promoted to the post of Deputy Librarian. With his new designation we hope that he would enhance the library services and would further improve the library functioning.

Library Orientation of New Students

At the beginning of Spring Semester 2011, at the Attock Campus, the library arranged an orientation program for the newcomers on 7th February 2011.

All new students were briefed by Laeeq Mushtaq, the Incharge of the library. Detailed information regarding library rules/regulations, various resources and services offered by the library, was provided to the students. Students were also guided about using the library resources effectively and utilizing the Library services efficiently.

Faculty Members of the Army Public College Visited CIIT, Attock Library

On January 14, 2011 around 100 Faculty members of Army Public College Visited CIIT Attock Library. The Library Incharge, Laeeq Mushtaq gave a briefing about the available resources and services of the Library.

The delegation visited different sections of the Library and highly appreciated the services offered by Library, especially the Digital and E-library services.

Library User’s Comments

The following comments were made by Mr. Subhan Ullah, Assistant Professor, Department of Management Science. We are thankful for his kind appreciation and ensure him that we would not only maintain the current standards, but will make every effort to provide our users with several new enhanced library and information services and resources.

The Comments by Mr. Subhan Ullah, Assistant Professor, Department of Management Science.

“It is my pleasure to give just brief comment about our Campus Library. I have a very high opinion about the services provided by the library.

Whenever I visited the campus Library I learned a new marvelous thing. .. It is because I strongly believe that when you visit the library you learn every minute even if you don’t pick a book/magazine

As you go through the books titles on the shelf, you learn about various new, remarkable additions in your field of interest. CIIT Attock library is outstanding place to read study and learn. The library staff is very efficient and cooperative, always willing to help you out. Even when you are out of the country you can depend on them.

One thing that I should mention here is that when I was on ex-Pakistan study leave and needed some research papers/books, I used to send request to the Library through email. My request was always dealt with utmost care and the required material was provided within due time.

I am truly very grateful to the library Incharge and other library staff for their kind cooperation and support”.

Library Quotes

To add a library to a house is to give that house a soul.
- Cicero

I go into my library and all history unrolls before me.
- Alexander Smit

No furniture so charming as books.
- Sydney Smith

The dissemination of knowledge is one of the cornerstones of civilization.
- John F. Budd

Beta Versions of “Free Online Public Access Journals”, “CIIT Thesis Repository”, “Union Catalog” and “Mobile Interface for Accessing HEC Resources Launched

LIS web services grew phenomenally during the last quarter and at the end of 2010. A number of new projects were completed and number of new services was launched.

CIIT Thesis Repository
The main concept behind developing this database and web-portal is to provide access to massive amount of research produced by CIIT community. The repository includes theses, dissertations and project reports. The online thesis repository has widened the access to the thesis and other research publications of the CIIT community. Now users from to all the 7 campuses of CIIT can access to the valuable resources.

The CIIT, Islamabad library web-portal aims at educating the students and researchers of CIIT about plagiarism, copyrights, citation styles and other such issues. It also provides information about several software and other available technological solutions.

Free Online Public Access Journals Database and Web-portal
The purpose of this database is to provide a unique facility for the faculty members and researchers through collecting and organizing the scattered full text articles of the peer-reviewed journals that are available free of cost on the internet.

Union Catalog
Union catalog provides the CIIT library users with the opportunity to search the collections of all the 07 campuses’ libraries of CIIT, using single interface

The CIIT Union Catalogue provides the users with the following facilities

1- Unique single search interface for all CIIT Campuses’ libraries.
2- Select and directly send requests of their required books using web interface.

3- Create a wish list of their desired books which they would like to borrow in future.

4- Search other University Libraries Online Public Access Catalogues (OPACs), by visiting the "Useful Links".

**Mobile Interface for Accessing HEC Digital Resources**

Internet and communication technologies have revolutionized the library services as well as their delivery methods. Use of portable devices like mobile phones and smart phones to access required information material is becoming more and popular day by day.

Responding to the demand of providing access to the library databases, through such portable devices, the CIIT, Islamabad library has launched a mobile version for accessing HEC Digital Resources. The mobile version for accessing is absolutely compatible to almost all mobile web browsers.

The CIIT Islamabad library has now become the first library of Pakistan which provides the users with such remarkable, modern facility.
Delegation from the Lancaster University UK, Visited the CIIT Library

A delegation from the Lancaster University UK, including Bob McKinley, the Vice Chancellor, Steven Bradley, the Pro Vice Chancellor, International Affairs and David Simm, the Director of International UG Programs, visited the CIIT Library, Lahore on February 7, 2011.

The delegation was briefed by Mr. Tariq Najmi, the Incharge library. Members of the delegation showed deep interest in the resources and services of the library. The members of the delegation asked several questions about various features of the library. Mr. Tariq Najmi responded to the queries and briefed them about various future plans of the library.

VISIT OF THE SENIOR LIBRARIAN

The Senior Librarian of COMSATS Institute of Information Technology, (CIIT) visited the CIIT Library, Lahore on December 6th --- 9th, 2010. During the visit he checked the routine work & services. He also had meetings with the Director, Convener Library Affairs Committee, Project Director, CIIT Lancaster Block, Advisor Administration. The Senior Librarian also hold discussions with the staff of the main library as well as the Lancaster Block on various professional and technical issues.

Resource Sharing with LUMS Library

The CIIT Library, Lahore has started a resource sharing program with LUMS Library. The CIIT Library, Lahore, has now access to all the digital resources of the LUMS Library. The shared resources include over 37 databases having thousands of journals in several disciplines. All the shared databases of LUMS' library can be accessed through the Link: [http://library.lums.edu.pk/lrs_edatabases_ip.html](http://library.lums.edu.pk/lrs_edatabases_ip.html). He appreciated the newly installed electromagnetic security system and instructed to fully implement the system.

Social Networking Services for the Library Users

Based on the web 2.0 technologies, the CIIT library, Lahore, has introduced three Social Networking Services for its users. The Social Networking has been provided for the users through flicker, facebook and instant messaging (IM). These services will provide the users with an opportunity to share views, experiences and expertise in many areas of mutual interest. All the three services can be accessed through the link: [http://library.ciitlahore.edu.pk/lib/index.html](http://library.ciitlahore.edu.pk/lib/index.html).

Lecture by the library Incharge

Ms. Sadaf Fatima, Lectureer, Department of Humanities, arranged a talk on the Resources and Services of the CIIT Library, Lahore, on December 15, 2010.

The resources person, Mr. Tariq Najmi, (the Library Incharge), gave an elaborate talk on the subject.

During the talk, Mr. Najmi updated the students about the library resources and services. He also addressed various issues relating to the user education such as: how to use the library resources effectively, what does OPAC mean, how one can search the required books on OPAC, how the digital and electronic library resources are accessed, Which databases the CIIT library subscribed to, how the full text articles are downloaded from these databases, etc. Mr. Najmi’s talk excited a long question/answer session. During the session Mr. Najmi skillfully satisfied many queries and questions.

The participants highly appreciated the talk by Mr. Tariq Najmi.
11th Book Fair CIIT LAHORE
The CIIT library, Lahore organized two days book fair on January 12-13, 2011.

Dr. Mahmood Ahmad Bodla, Director CIIT Lahore, and Dr. Talat Afzal, Convener Library Affairs Committee inaugurated the book fair.

Several well reputed & renowned booksellers participated in the book fair. A vast collection, on a broad range of subjects including, Architecture & Design, Computer Science, Electrical & Chemical Engineering, Physics, Mathematic, Statistics, Humanities, Literature etc., was available on the bookstalls.

Faculty and students showed keen interest in the collection on display. The faculty selected many books for the library. The students, staff and faculty also purchased many books for their personal use on special discount.

While inaugurating the book fair, Dr. Mahmood Ahmad Bodla, the Director CIIT Lahore, addressed the gathering. In his speech he highlighted the importance of books and libraries. He emphasized on arranging book exhibitions regularly and more frequently on the campus. Dr. Mahmood Ahmad Bodla appreciated the library staff for organizing the book fair. Electronic media such as City 42, Express News, Kohinoor, Waqat TV covered the event.

Dr. Talat Anzal, Convener Library Affairs Committee, distributed Certificates among the participants at the end of the book fair.

Research Portal Launched by CIIT Lahore
The CIIT Library, Lahore plans to launch a Research Portal. The portal, which will serve as a hub of research activities at CIIT, Lahore, is expected to enhance research culture at the institute. Among various other resources and services, the portal will provide the users with a wealth of research related information e.g. national and international grants, scholarships, seminars, conferences, etc.

EM Security System
The much desired Electro Magnetic Security system has been successfully installed at the CIIT Library, Lahore on January 25, 2011.

The EM security system will provide reasonable protection for the rich resources of the library which include many rare books, journal, audio-visual collection etc. The system will minimize chances of theft in the library.

Library Orientation for New Students
As the CIIT Lahore completed admission process for Fall-2010, the library arranged an orientation program for the new students on February 7, 2011. According to the scheduled. Mr. Muhammad Ishtiaq and Ms. Abida Hanif briefed the new students about the resources & services of the library.
Book Exhibition

Reshaping the interior of the library

The CIIT library, Sahiwal is given a new, beautiful face. The services of a well-known interior designer, Mrs. Sohail Afzal Qureshi were hired for the purpose who introduced new color scheme to create an attractive environment in the library. The new colorful interior is appreciated by all the library users including the faculty members. Dr. Saleem who was visiting from Abbottabad Campus and under whose supervision the Abbottabad Campus Library was run for several years, was very happy to see the new attractive environment of the library. With the new arrangement, as predicted, the number of library users substantially increased, especially the students started spending more hours in the library than they used to spend before the new setup. The library users seem very happy and impressed by the new setup.

Visit of Controller of Examinations of CIIT

Another visit was paid by Mr. Muhammad Sohail Ghani, The Controller of Examinations, CIIT, along with Mr. Adeel Ahmed Shah, Manager MIS and Mr. Faizan Shafiq, Assistant Program Officer, CoE Office, Principal Seat Islamabad. They highly appreciated the improved setup of the library.

These visits proved to be a great source of motivation, appreciation and encouragement to the library personnel at CIIT Sahiwal.

Visit of Senior Librarian at CIIT Sahiwal

Mr. Raja Muhammad Ibrahim, the Senior Librarian visited the Sahiwal Campus on 25th January 2011. He appreciated the new, colorful look of the library. During the visit he had meetings with the authorities and the library staff and discussed various library related matters.
