List of HEC Recognized Journals (Science)

Table of Contents

Criteria for Selection of Local Journals	3
Selection of International Journal	4
Category System	5
List of HEC Recognized Journals (Science)	6

List of HEC Recognized Journals (Science)

Criteria for Selection of Local Journals

1. The journal should be regularly published.

The old journals published regularly should meet the following criteria in order to prove the regularity.

- Annual publication It should have published 5 issues in the last 5 years
- Six monthly publication It should have published 6 issues in the last 3 years
- Quarterly publication It should have published 8 issues in the last 2 years
- Monthly publication It should have published 24 issues in the last 2 years

The New journals published should meet the following criteria in order to prove the regularity.

- Annual publication it should have published 2 issues in the last 2 years
- Six monthly publication It should have published 4 issues in the last 2 years
- Quarterly publication It should have published 8 issues in the last 2 years
- Monthly publication It should have published 12 issues in the last one years
- The universities / organizations interested to have their journals recognized by HEC should send gratis copies of the issues mentioned in the last column of the above table to HEC Library on gratis.

2. The journal should have diverse Editorial Board / Advisory Board

- The credentials of the Board members should be taken into consideration.
- Fifty percent of the Board members should be from the outside.

3. It should be Peer Reviewed.

4. It should the policy of blind review should be followed.

- Peer reviewed: at least by two reviewers (including one international reviewer [i.e. from Industrially/Academically advanced country in the respective discipline.] It should be abstracted / indexed internationally.
- Abstracting and Indexing Services as posted on HEC website <http://www.hec.gov.pk/>

5. The journal published in any language other than English should publish abstract of each paper in English.

6. References should be provided according to the international standard as per policy of the journal.

The meeting phrased the following definition of the HEC Recognized Journal / Journal of International repute.'

A journal published regularly, having diverse editorial /advisory board, peer reviewed by at least two reviewers (including one international) and abstracted /indexed internationally.

List of HEC Recognized Journals (Science)

Category System

All science Journals to be classified as W, X, Y, Z.

W- Journals having an Impact Factor.

X- Experts groups certify that they are top, recognized journals in the subject of archival quality.

- Journals not having an Impact Factor
- Verified by HEC that they meet all HEC Journal Criteria and have paper reviewed by at least one expert from an Industrially/Academically advanced country in the respective discipline.

Y- Experts groups certify that they are top, recognized journals in the subject of archival quality.

- Journals not having an Impact Factor
- They meet all HEC Journal Criteria except review of each paper by at least one expert from an Industrially/Academically advanced country in the respective discipline.

Z- Experts groups certify that they are good, recognized journals in the subject of archival quality.

- Journals not having an Impact Factor
- They meet all HEC Journal Criteria except

- i) Review of each paper by at least one expert from an Industrially/Academically advanced country in the respective discipline.
- ii) Abstracted / Indexed Internationally by a recognized Agency.

W: Acceptable for Tenure Track System

X: Acceptable for BPS appointments/ promotions, HEC Approved Supervisor and Publication of research of PhD work until 30th June 2011.

Y: Acceptable for BPS appointments, and Publication of research of PhD work until June 30th, 2011.
